

Our Lady of the Assumption Preschool **Toilet Training Contract**

I understand and accept that OLA Preschool will support my child during toilet training. I agree to the following terms of toilet training and understand that if the terms are not adhered to, I will be asked to pick my child up and/or come to school to attend to his/her sanitary needs. I understand that, on the occasion of repeated infractions, my child may be asked to leave the OLA Preschool program without reimbursement. I understand that I will be charged a \$25 sanitization fee if the terms are not met. I recognize that the school environment requires safety in maintaining the staff-to-child ratio and healthy, sanitary conditions.

The preschool staff recognizes that toilet training is a developmental skill which requires practice and time.

Children who are toilet training must:

***verbally demonstrate the need to use the bathroom before wearing underwear to school.**

***come to school wearing undergarments. If a child is found to be without undergarments, the child will be diapered.**

Parents toilet training children must:

***confer with the teacher concerning the readiness of the child to wear underwear to school prior to sending the child in underwear. Children arriving to school in underwear without prior teacher consent/agreement will be diapered.**

***understand that the school environment involves students and teachers who are present for learning experiences. While teachers will support and offer encouragement to children toilet training, they are not permitted to attend to individual toilet training on an on-going basis.**
